The CO-OP is a strong supporter of the 4-H program, and has been for many years now. We like to show our support by offering programs, and participating at the Market Animal sale.

This year we have expanded our award program with more cash payouts to those who place with either Grand Champion or Reserve Champion as well as either a blue or red ribbon, and sell their animal in the Market Animal sale. We will still be attending the Market Animal Sale as well.

## HOW DOES THE PROGRAM WORK?

You must come in and sign up (at the front counter) before your market animals first spring weigh in, or if your animal doesn't have a weigh in, you can sign up when you purchase your first bag of feed.

The cashiers up front will then mark off on your sign up sheet every time you come in, and purchase a bag of feed.

To get this cash prize you must meet the minimum bag requirement for your project (explained in the tables). You must also either get a blue or red ribbon in your quality class, and sell your animal at the market sale. This year we have included a separate prize for Grand Champion and Reserve Champion.

You will be contacted for an in-store celebration where you will receive your cash prize. Look for an invitation to come in September.
